

Mrs. Mandel's Class: News and Notes

December 14, 2018

What Are We Learning?

Literacy

Our class has started researching specific animals for a research project. Ask your child about what animal they are becoming an expert on!

Math:

We have moved on from studying methods for multiplication and will begin studying methods for division next week.

Science:

We have continued our study of Rocks and Minerals, and our current focus is on the rock cycle. Ask your student to explain what they've learned about igneous, sedimentary, and metamorphic rocks.

Important Dates to Remember

12/21/18- Early Release (11:20-1:00- Class holiday celebration)

12/24/18-1/2/19- Winter Break!

1/18/19- Weather Make-Up Day

2/14/19- Government Field Trip

2/19/19- Weather Make-Up Day

Our class will have our winter celebration on 12/21 from 11:20-1:00!

Notes from Mrs. Mandel

- Thank you to all of our wonderful volunteers for chaperoning on our Old Salem field trip- you all rock!
- If you would like to volunteer either in-school or on a field trip, you must be cleared through the WCPSS volunteer system. You can do this by going into any WCPSS school and registering.
- Our next field trip will take place on 2/14/19. We will travel to downtown Raleigh to visit the Legislative Building, State Capitol, and the History Museum.
- We are in need of pencil top erasers. If you would like to donate any, I would greatly appreciate it!
