

Mrs. Mandel's Class: News and Notes

February 1, 2019

What Are We Learning?

Literacy

Our class has been studying the Revolutionary War, specifically focusing on details and language in the text.

Math:

We have been working on using decimals to represent fractions (tenths and hundredths). A trick to remembering the difference is using money, with a tenth being a dime and a penny being a hundredth.

Science

We have officially started our next unit on Landforms! This week we learned about how the earth's surface is constantly changing.

Notes from Mrs. Mandel

- If your child is out sick, please send in or email a note. Absences without notes are considered unexcused.
- Our next field trip will take place on 2/14/19. We will travel to downtown Raleigh to visit the Legislative Building, State Capitol, and the History Museum. Chaperones will be receiving an email soon!

Online Resources

If you are looking for a way for your child to sharpen their skills at home, here are some websites that we use and the kids love:

Reading and Math

- Moby Max- students can access through their online portal; they have assignments to complete!
- Brain Pop (username is initials + last 4 of lunch number)

Math (under Student Quick Links on LES site)

- I Know It
- IXL
- Math Playground (select 4th grade and then thinking blocks for a great activity)

Valentines Day- If your child would like to participate in the Valentine's Day card exchange, I have included the list in the Friday Folder. We will do a small exchange in the afternoon (no big party this time!)

Important Dates to Remember

2/1/19- Report cards go home

2/4/19- PTA Meeting- 7:00 PM

2/10/19- LES Night @ Triangle Rock Club

2/14/19- Government Field Trip
