Notes from Mrs. Mandel

- If you are interested in ordering a class photo, please see the order form from last week's Friday Folder. Or order online at www.strawbridge.net, code 101399.
- If your child is out sick, please send in or email a note. Absences without notes are considered unexcused.
- Please be sure to respond to your child's Family Dialogue Journal each week!

Online Resources

If you are looking for a way for your child to sharpen their skills at home, here are some websites that we use and the kids love:

Reading and Math

- Moby Max- students can access through their online portal; they have assignments to complete!
- BrainPop!- in student portal

Math (under Student Quick Links on LES site)

- I Know It
- IXL
- Math Playground (select 4th grade and then thinking blocks for a great activity)

What Are We Learning?

Literacy

Our class started to study opinion writing, beginning with analyzing broadsides from the Revolutionary war. Ask your child to describe what the purpose of a broadside was- it's very interesting!

Math:

This week our class has finished our fractions and decimals unit, just today. I am so proud of this class, as this area seems to be an overall strength!

Social Studies

Our class has continued to study the Three Branches of Government with Mrs. Smith. Ask them if they can identify the 3 branches and what each branch does! They took their assessment to show what they know.
