

Mrs. Mandel's Class: News and Notes

November 16, 2018

What Are We Learning?

Literacy

Our class has been learning about various animal defenses. We have learned how to find the main idea and supporting details of a text.

Math:

We have officially started our multiplication and division unit. A step by step explanation of the method they are learning for multiplication can be found in your child's homework folder.

Science:

We have started learning about earth materials, including rocks and minerals. Next week we begin our investigations.

PTA News

The Cubs' Closet is a PTA program that provides students with clothing, shoes, and undergarments when needed. This way, our children have the clothes they need to focus on learning and play. We are looking for donations of girls and boys shirts, shorts, and pants (sizes 4 - 6) Please donate ONLY clothing that is school appropriate and is in good condition (clean with no holes or stains). Please contact melissa.yanek@gmail.com with questions.

Notes from Mrs. Mandel

- **Again, if you would like to volunteer either in-school or on a field trip, you must be cleared through the WCPSS volunteer system. You can do this by going into any WCPSS school and registering.**
- Our next field trip is to Old Salem on 12/4/18. We will be asking students to arrive around 7:15 AM and will not return to LES until around 4:15ish PM. Since we will be back later than dismissal, please plan on an arrangement for your student to be picked up that day. Students who attend LAFS may still plan on attending LAFS as usual. **We still need parent volunteers for this field trip!**
- Please see the enclosed note about volunteering for our upcoming field trips!
- There is no family dialogue journal this week.
