

Mrs. Mandel's Class: News and Notes

September 7, 2018

What Are We Learning?

Literacy

We continued to study poetry, focusing on the difference between poetry and prose.

Math:

This week, we have completed our data unit and will be starting to learn about multiplicative comparisons next week. For example, 40 is 5 times greater than 8.

Science: We officially began our Magnetism and Electricity unit and learned about the properties of magnets.

Girls on the Run Registration Open To all 3rd-5th Grade Girls:

- * Registration for the fall session of Girls on the Run is now open. Girls on the Run program inspires girls to recognize their inner strength and celebrate what makes them one of a kind. Our coaches lead small teams through our research-based curricula which includes dynamic discussions, activities and running games. Over the course of the ten-week program, girls in 3rd-5th grade develop essential skills to help them recognize their inner strength and celebrate what makes them one-of-a-kind. The program culminates with girls positively impacting their communities through a service project and being physically and emotionally prepared to complete a celebratory 5K event in early December.
- * GOTR will meet after school on Tuesday and Thursday from 4-5:15pm. The program begins on 9/24 and runs for 10 weeks. * For more information and to register, please click [here](#).
